§ 211-3 Outdoor sales.

A. Outdoor sale display of inventory may be permitted in connection with a principal commercial use after the issuance of a permit under this section. Any individual or entity desiring the issuance of any such permit shall file an application with the Township Clerk, which application shall include the following:

(1) A sketch of the premises where the sale is to be conducted, showing the location of any building occupying the premises, the location of any parking areas and the precise location where the inventory to be displayed is to be located. Such sketch shall furthermore include the tax lot and the block of the premises which is the subject of such application and the location of the premises in relation to any rights-of-way and a designation of the name and such rights-of-way.

(2) A description of the inventory which is to be the subject of the sale.

B. Any outdoor display of inventory shall not be of a continuous duration of more than five days.

C. No more than two outdoor displays of inventory for sale may be conducted in any calendar year by any business.
