I. Introduction

The Township of Brick is required by law to have a detailed Citizen Participation Plan, in particular Section 104(a) (2) of the Housing and Community Development Act and by regulations at 24 CFR 570.486(a)(6). The Citizen Participation plan includes the Township's policies and procedures for public involvement in the Consolidated Plan process and the use of Community Development Block Grant (CDBG) funds. This Citizen Participation Plan must be available to the public.

Purpose

The law requires that the Township's Citizen Participation Plan both provide for and encourage public participation, emphasizing involvement by low and moderate-income persons—especially those living in low and moderate-income neighborhoods. The U.S. Department of Housing and Urban Development (HUD) requires the Township to take whatever actions are appropriate to encourage participation of minorities, non-English speaking persons, and persons with disabilities.

The Role of Low-Income Persons

U.S. Department of Housing and Urban Development (HUD) Community Development Block Grant Program's primary purpose is to improve communities by providing: decent housing, living environments, and growing economic opportunities – all principally for low and moderate-income people.

Since the amount of federal CDBG funds that the City receives each year from HUD is based upon the level of both poverty and substandard housing conditions in Township of Brick Township, it is necessary that public participation genuinely involve low-moderate income residents who experience these conditions. Involvement by low-moderate income residents must take place at all stages of the process; including: identifying needs; setting priorities among these needs, deciding how much money should be allocated to each high-priority need, and suggesting the types of programs to meet high-priority needs; as well as, overseeing the way in which programs are carried out.

The Consolidated Plan Process

The policies and procedures in this Citizen Participation Plan relate to several stages of action mentioned in law or regulation. In general, these stages or events include:

1. Identification of housing and community development needs.
2. Preparation of a draft Five-Year Strategic Plan.
3. Formal Approval by elected officials of the Final Five-Year Strategic Plan.
4. Preparation of a draft use of funds for the upcoming year called the proposed Annual Action Plan, which must be in compliance with the Five-Year Strategic Plan.
5. Formal Approval by elected officials of the Annual Action Plan.
6. On occasion during the year, it might be necessary to change the use of the money already budgeted in an Annual Action Plan, or to change the priorities established in the Five-Year Strategic Plan. In that case a formal Substantial Amendment will be proposed, considered, and acted upon.
7. After a program year is complete a Consolidated Annual Performance and Evaluation Report (CAPER) must be drafted for public review and comment, and then forwarded to HUD.

II. CITIZEN PARTICIPATION

A. Citizen Participation Plan

The Citizen Participation Plan is designed to facilitate and encourage public participation in the Consolidated Plan process. In particular, the Citizen Participation Plan seeks to encourage the involvement of low and moderate-income persons.

Community Development Block Grant Program regulations calls for improved accountability of jurisdictions to the public. The Township of Brick will use the following procedures for the adoption and any subsequent changes to its Citizen Participation Plan:

Public notice in the Asbury Park Press newspaper, as well as notices at Town Hall and on the Township website will be provided seven (7) days in advance of a 30-day public comment period;

During the 30-day public review and comment period, the document will be available for review at the following locations:

- ✓ Township of Brick Division of Community Development
- ✓ Ocean County Library – Township of Brick Branch

Copies of the Document will be available to the public free of charge within five days of a request.

- ✓ An administrative public hearing will be held by the Township's Division of Land Use & Planning CDBG staff
- ✓ The Township Mayor adopts the Citizen Participation Plan, upon execution of SF242 documents contained in the Action Plan

Any change in the public participation process as outlined in this document will require an amendment to the Citizen Participation Plan. Any amendments will require the same steps as noted above: public notice, public review, a public hearing, and Execution by the Mayor.

For CDBG-CV Funding in response to the COVID-19 crisis: notice and reasonable opportunity to comment of no less than 5 days will be provided. The 5-day period runs concurrently for comments on the action plan amendment and amended citizen participation plans.

B. Consolidated Plan and Annual Action Plan

The Consolidated Plan is a five-year plan that identifies the needs of low and moderate-income persons and areas of the Township and sets forth a five-year strategy to address those needs. The Action Plan identifies the specific needs to be addressed each year based on the priorities established in the Consolidated Plan's five-year strategy. The following steps outline the opportunities for public involvement in the Consolidated Plan and the Annual Action Plan

I. Preparation

In order to identify the needs of low and moderate-income persons and areas of the Township, priorities must be set in order to decide which needs should get more attention and more resources than other needs. In order to solicit community input, which is essential to determining these needs and priorities, the Township will:

Consult with local public agencies that assist low and moderate-income persons and areas, including Township Staff, State and federal agencies, neighboring local governments, regional agencies.

Consult with private agencies, including local non-profit service providers and advocates such as local health agencies, homeless service providers, non-profit housing developers, social service agencies (including those focusing on services to children, the elderly, persons with HIV/AIDS, persons with substance abuse problems, etc.)

Publicly notify and conduct a public meeting to solicit input on needs and priorities.

In addition, the Township will maintain an interested non-profits list and forward an application packet to the non-profit. All applications are reviewed for completeness, eligibility, and service specific information. Any interested non-profit agency may request to be added to the non-profit list at the following address:

Attention: CDBG
Township of Brick
Division of Land Use & Planning
401 Chambers Bridge Road
Brick, NJ 08723

All applications must include the following information in order to be eligible to receive CDBG funds:

- Name of Organization, contact person(s), brief history of the organization
- Name of Project and detailed description of project
- Documentation identifying the need for such a project
- Financial summary, including amount of CDBG funds requested and other resources to leverage CDBG funds, as well as potential uses of funds
- Objectives of project and intended beneficiaries
- If the organization is requesting CDBG funds from other jurisdictions for the same project, include information on amount requested and potential benefits for each jurisdiction.

Township staff will review the applications to determine eligibility of the projects. Township staff will evaluate the projects based on the benefits to low and moderate-income residents and low-moderate income areas. In addition, the feasibility of the project will also be reviewed. All Non-profit funding should be expended within a year from receiving an allocation from the Township. The selected projects will be recommended to the Township Administrator and Mayor for approval.

All approved projects will be incorporated into the Annual Action Plans. A 30-day review period will be publicly noticed for Draft Action Plans. The public has a 15 day comment period upon completion of the 30-day review period. A complete draft of the Consolidated Plan and/or Annual Action Plan will be made available to the public at the following locations.

- ✓ Township of Brick Division of Community Development
- ✓ Ocean County Library – Township of Brick Branch

An administrative public hearing will be held after the release of the Annual Action Plan. If there is further demand for a follow-up meeting, another meeting may be scheduled after the 30 day

review period is complete, but still within the 15 day comment period. All public hearings will be posted in the Legal section of the Asbury Park Press. In addition, the Spanish Speaking Newspaper Latinos Unidos will be utilized for non-English speaking residents. This Spanish speaking geared newspaper is sold in local ethnic markets. However, the newspaper is published monthly and notices must be published before the end of the month before the meeting is to occur.

For CDBG-CV Funding in response to the COVID-19 crisis: notice and reasonable opportunity to comment of no less than 5 days will be provided. The 5-day period runs concurrently for comments on the action plan amendment and amended citizen participation plans.

2. Adoption

As noted, above the Township will provide several opportunities for citizen involvement in the Consolidated Plan process prior to adoption. These include:

- A public meeting on needs and priorities for the Consolidated Plan/Annual Action Plan.
- A public notice announcing the 30-day review and comment period.
- A public notice for the hearing on the Draft Consolidated Plan and/or Draft Annual Action Plan will be posted in the Asbury Park, Town Hall, and the Township's Website. The notice will list the locations where the document(s) will be available for review and the notice will be posted prior to the start of the comment period.

The Draft Consolidated Plan and/or Draft Annual Action Plan will be available at the following locations in Township of Brick Township:

- ✓ Township of Brick Division of Community Development
- ✓ Ocean County Library – Township of Brick Branch

The Draft consolidated Plan and/or Draft Annual Action Plan will be made accessible to persons with disabilities and Non-English Speaking persons upon request. In addition, a reasonable number of free copies will be provided to citizens or groups requesting copies of the document(s).

An administrative hearing will be held by the Township of Brick Township Division of Community Development CDBG staff prior to the execution for adoption of the Consolidated Plan and/or Annual Action Plan by the Mayor.

In preparing the Final Consolidated Plan and Annual Action Plan, careful consideration will be given to all comments and views expressed by the public, whether given as verbal testimony at the public hearing or submitted in writing during the review and comment period. The final documents will have a section that presents all comments, plus explanations why any comments were not accepted.

At the end of the 30-day review and 15-Day comment period, the Township of Brick will consider adoption of the Consolidated Plan and Annual Action Plan. Adoption of the plan will occur upon the execution of the plan by the Township Mayor.

For CDBG-CV Funding in response to the COVID-19 crisis: notice and reasonable opportunity to comment of no less than 5 days will be provided. The 5-day period runs concurrently for comments on the action plan amendment and amended citizen participation plans.

3. Amendments

The consolidated Plan or Annual Action Plan will be amended anytime there is: a change in one of the priorities presented on the HUD-required Priority Table; a change in the use of money to any activity not mentioned in the Final Annual Action Plan; or a change in the purpose, location, scope, or beneficiaries of any activity (described more fully later). The public will be notified whenever there is a substantial amendment as defined below:

- The public hearing will be held no sooner than two weeks prior to submission to HUD.

In preparing a Final Substantial Amendment, careful consideration will be given to all comments and views expressed by the public, whether given as verbal testimony at the public hearing or submitted in writing during the review and comment period. The Final Substantial Amendments will have a section that presents all comments, plus explanations why any comments were not accepted.

C. Consolidated Annual Performance Report

Every year, the Township of Brick must submit to HUD a Consolidated Annual Performance Evaluation Report (CAPER) within 90 days of the close of the program year. In general, the CAPER must describe how funds were actually used and the extent to which these funds were used for activities that benefited low and moderate-income people. The following steps outline the opportunities for public involvement in the CAPER:

Public notice will be made according to the procedures described later in this Citizen Participation Plan. The public notice will identify a 15 day public review and comment period for the CAPER. During the 15 Day review period, the document will be available for review at the following locations:

The law requires public hearings at all stages of the process, including at least a hearing about community needs, a public hearing to review proposed uses of funds, and a public hearing to assess how funds were spent during the previous program year.

Public hearings will be held only after there has been adequate notice as described in the Public Notice part of this Citizen Participation Plan, 14 days prior to the public hearing. Public hearings will usually be held in the evening at a time convenient to most residents, especially those who might benefit from the use of funds. The Township of Brick will host all public hearings at 6:00pm.

1) national/local health authorities recommend social distancing and limiting public gatherings for public health reasons; and

2) virtual hearings provide reasonable notification and access for citizens in accordance with the grantee's certifications, timely responses from local officials to all citizen questions and issues, and public access to all questions and responses.
