BRICK TOWNSHIP RECREATION DEPARTMENT

The Brick Township Recreation Department works year-round to provide the residents of our community with access to quality and life-enriching programs, exciting special events and exceptional parks and recreational facilities.

Every year, thousands of residents of all ages participate in our Recreation programs. Countless more visit our parks, beaches and playgrounds. It is impossible to put a price on the positive impact that our Recreation program has on our residents' quality of life or on the memories that are being created whether it's a day spent at the beach with the family, enjoying a picnic at the playground or a softball game with friends.

Over the past several years, our Recreation Department has been recognized numerous times by the New Jersey Recreation and Parks Association for their work and facilities. It is a testament to the hard work of the Recreation Department Staff and the commitment that Mayor Ducey and the Township Council have made towards recreation.

The Recreation Golf Tournament will support so many vital initiatives, programs and infrastructure that keep Brick Township an active, healthy community. We thank everyone for your support.

John G. Ducey
Mayor

Dear Friend:

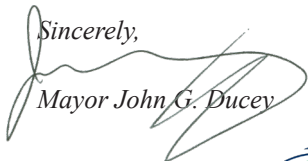

I would like to thank you for your interest in the 2020 Brick Recreation Golf Tournament. All proceeds raised by this fundraiser will be used to help our Recreation Department in their mission to provide exceptional programs and events to the people of our community.

This year has been a challenging one for our Recreation Department. The ongoing pandemic forced the cancellation of most of the programming that the Department was offering. The Recreation Staff worked to develop new programs - such as Play at Home with Brick Recreation - and adapt some of their programs so they complied with guidelines and could be enjoyed by residents. They will continue to do this until the pandemic has subsided. Your support will assist our Recreation Department in doing this.

Again, thank you for your interest in this year's Golf Tournament and your support. If you are playing in the tournament, I hope you play well and enjoy the day.

As always, I look forward to working with you in the future to make Brick Township a better community for all.

Sincerely,

Mayor John G. Ducey
