

BRICK TOWNSHIP TNR PROGRAM

TRAP | NEUTER | RETURN

Thank you to everyone who is a sponsor!

These funds are used for Brick Township's TNR (Trap-Neuter-Return) program to support the management of community cats.

Your \$75 donation to Brick TNR will make it possible for a cat to receive the following standard of care package:

- **Spay/Neuter**
- **Rabies vaccination**
- **Ear Tip**
- **Microchip**

Business and Corporate Sponsorships

Brick TNR is now accepting Business and Corporate Sponsorships for 2022.

Our efforts to 'fix' the very urgent community cats issue in our Township will be much more successful if we have the support of everyone in our community. This includes the need for financial support.

By donating to Brick TNR, you're showing the community that you support this important mission. You're helping us help community cats, support colony caregivers, educate the community and teach people about how to manage feral cat populations.

All donations are tax deductible!
