

**RESOLUTION**  
**Authorizing the Adoption of the**  
**Repetitive Loss Area Analysis**

**WHEREAS**, the Township of Brick participates in the National Flood Insurance Program; and

**WHEREAS**, the Township of Brick has applied for the 5-Year Cycle Review for the National Flood Insurance Program's Community Rating System (CRS);

**WHEREAS**, the Township of Brick received a Class 6 rating that provides a 20% reduction in flood insurance premiums, and

**WHEREAS**, in 2017, the Township produced a Repetitive Loss Area Analysis and has completed an update to this analysis in compliance with CRS Element 512 b. for Floodplain Management Planning; and

**WHEREAS**, since participating in the CRS program, the Township of Brick has made great strides in mitigating properties and has reported the mitigation of 38 of the 92 Repetitive Loss Properties and has reduced the amount of Repetitive Loss Areas from 27 areas to 20 areas; and

**WHEREAS**, the Township of Brick Floodplain Management Committee worked diligently with Township officials and staff to hold three public hearings, eight working meetings, and advised the public of the analysis and requested their input on the hazards and recommended actions through a series of surveys that were advertised via social media and sent to residents in the Repetitive Loss Areas via mail. Residents were informed the analysis was being conducted, and how to obtain the draft report through the Land Use & Planning Office and online; and

**WHEREAS**, agencies or organizations that may have plans or studies that could affect the cause or impacts of flooding were contacted and advised of the analysis; and

**WHEREAS**, data was collected on each building in the Repetitive Loss Areas, alternative approaches to property protection and drainage features was studied and findings for each Repetitive Loss Area was provide and summarized; and

**WHEREAS**, the Repetitive Loss Area Analysis is intended to reduce private and public property damages due to future floods through providing more specific guidance on how to reduce damage from repetitive flooding than a community-wide floodplain management or hazard mitigation plan; and

**WHEREAS**, the Township Council has had an opportunity to review the Repetitive Loss Area Analysis and Appendices A through E, and finds that it is in the best interest of the Township of Brick to adopt the Plan in order to meet the CRS Program requirements.

**NOW, THEREFORE, BE IT RESOLVED** by the governing body for the Township of Brick that: The 2021 Township of Brick Repetitive Loss Area Analysis is hereby adopted and the officials of the Township of Brick are authorized to evaluate the report annually in compliance with the FEMA NFIP CRS Program guidelines.

**CERTIFICATION**

I, Lynnette A. Iannarone, Clerk of the Township of Brick, County of Ocean, State of New Jersey, do hereby certify the foregoing to be a true and correct copy of a Resolution adopted by the Township Council of the Township of Brick at a meeting of said Township Council held on December 28, 2021.

**IN WITNESS WHEREOF**, I have hereunto set my hand and seal of this Township this 28<sup>th</sup> day of December, 2021.
