

Township of Brick Press Release Floodplain Management Planning Committee Flood Information Service

**Tuesday, June 27 at 6pm at Traders Cove Marina Boater
Facility – 40 Mantoloking Road, Brick, NJ**

The Township will be holding a flood information service on **Tuesday, June 27 at 6pm** at the Traders Cove Marina Boater Facility to provide information to residents on flooding, flood risks and prevention, flood insurance, the National Flood Insurance Program Community Rating System, and various other flooding related topics.

Professionals from the municipality will be on hand to assist residents. Property owners will have the opportunity to discuss and inquire about mitigation options and explore potential improvements that can be made to lower flood insurance premiums.

- **Learn about Risk Rating 2.0**
- **Find out if your property is in the regulated floodplain**
- **Find out what resources are available to you to reduce your flood damage**
- **Learn about things you can do to protect your family and property from flooding**

After the Flood Information service, please join us for the viewing of the award-winning Best New Jersey film at Indie Street Film Festival:

DRIFT
